Frequently Asked Questions

Who can use the program?

This program is available to Oceana County residents only.

What type and size of tires can I bring?

Passenger car and truck tires accepted, not larger than 4' tall and 12" wide. No tractor tires, earth mover equipment tires, ORV tires or other business tires permitted. **All rims, water, and excess dirt must be removed prior to drop off.**

Is there a limit to how much I can bring?

We have space for 3,000 tires therefore we may need to limit the quantity each resident brings. Pre-registration is required. Please call the Conservation District at 861-5600 to reserve space for your tires by June 23.

Is there a fee?

Participation is free, although donations are accepted and appreciated to help cover volunteer materials and staff time.

Volunteers Needed!

This service is made possible through a grant from the DEQ and assistance from the Oceana Road Commission.
