b. Section 4.33

-Discussion regarding whether this is too restrictive or not restrictive enough.

-Enforcement was discussed. We can change the rules, but can we enforce them?

-Tents were not specifically considered in the Ordinance.

-Kolenda recommended creating an Ad Hoc Committee to meet and discuss the pros and cons of the issue and bring their recommendation to the Planning Commission.

-Resident states he personally does not want to be restricted. He states the campground owners are the only ones voicing concerns regarding this issue.

-Other townships have permit systems for RV's on their property.

-Renters could also be contributing to the problem. This is an issue at Lake Michigan Shores.

-Discussed enforcement and again considering the possibility of adding another enforcement officer.

-Questioned whether rentals could be considered commercial to give them different standards to live up to.

-Kolenda would like to work on the Master Plan this year and Zoning next year.

-Kolenda recommended dismissing 4.33 at this time.

-Kolenda will recruit members for the Ad Hoc committee. Members will include residents and business owners both for and against the issues within 4.33.

Kolenda will request that this committee report back to the Planning Commission this fall.

10. Public Comments:

-Dr. Roseman stated there are problems with accessing Ordinances on the website. #27-32 Ordinance numbers are missing. Ordinance Numbers 36 and on are broken. Also stated that the County GIS is moving along and will be here soon. Requested that site plans be submitted in Auto Cad so they can easily be inputted in to the mapping program.

-Mr. Dion questioned whether there is a possibility of the Carnival of Chaos returning. Whelpley stated they will be able to try, but they are now aware of the paperwork process. It would also have to be approved by the Township Board.

-Fuehring stated that \$8,800.00 in lawyer fees were paid to keep Carnival of Chaos out of Golden Township. The Township cannot be reimbursed for these fees because the issue never made it to court.

-Roseman questioned whether the Township could threaten Val Du's PUD if they pursued Carnival of Chaos without approval from the Township Board. Whelpley stated that it was.  
-Keith Adams questioned whether it was dismissed from the court. Whelpley stated it was settled out of court.

11. Wilson motioned to adjourn, Terryn second.  
Mtg. Adjourned: 8:23 pm

Respectfully Submitted,

Tina Wiegand
