A new computer for the conversion data was discussed it was said that we need to have a new computer that will burn CDs and be able to hold all the information and programs needed for assessing. The new computer will be used for the BS & A software where the data conversion person will download the new information and eventually the new computer will be the assessors and the old computer will be for public use property information inquiries.

Fuehring asked that a committee of Ackley, Cargill and Kolosci be formed to research and find exactly what we need.

Terry Way had asked to be placed on the agenda to voice his concerns over the on going problems with Val-Du-Lakes. Way stated that this has been going on for years, the extremely loud music from the bar as well as the campground and the fireworks until the late hours are unacceptable. Way asks that the board please do something, possibly issue tickets or push the sheriffs department to act. Cargill will follow up with the Sheriff for reports filed on Val-Du-Lakes and may call the liquor control commission.

Public Input was asked for:

Dave Swartz asks that Shell gas be contacted about a huge hole they have left after installing the companies underground propane lines and Keith has asked that the board also follow up on the street signs Shell gas has not put back in place in the area of Raven and Harbor streets located in Silver lake. Kolosci and Fuehring will follow up with Shell. Complaints about the Duck road area were also heard. People have been burning their tires on the road, illegal camping and fireworks were reported coming from the same area it was felt that the board should contact the sheriff to find out why nothing was being done and if it is possible for the Sheriffs depart to enforce the new Exhibition driving Ordinance and basically what could be done.

Ann Bateman voiced concern over the widening of West Silver Lake Road and the Silver Lake area improvement project, it was said that the public meetings would be held in the summer months while cottage owners were here.

Mr. Ashley asked about Broad band internet for the whole township, the board explained that we do control where the cable company offers their services as they usually use a population formula to make that decision.

Contributions for the Bill Lathers memorial fund was discussed, a few ideas were Sculptures, benches etc. nothing is finalized as of yet, Dale Lathers has asked that nothing be done until the estate has been settled.

A meeting at the Golden Township Hall on July 19<sup>th</sup> 7:30p.m. has been set by the planning commission to hear information on Wind Turbines.
