## PUBLIC INPUT

1. Resident reported that a pothole near their home was repaired quickly.

2. Ted Ferwerda questioned the possibility of removing the No Parking Signs from the dunes at the dune turn around moving them to a place on the road. It seems to be a dangerous situation when the signs are partially covered and visitors are running down the dunes.  
-Ferwerda also questioned the possibility of purchasing the south half of the 20 acre parcel which sits next to his property.  
-Board discussed the fact that the property was purchased with donated money from a benefactor from our township. Stated that it may be possible to use the money from the potential sale of the property to improve the other half of the property. Walsworth suggested that Ferwerda develop some proposals for what should be done with the portion that would remain with the township and Walsworth could take that information to the benefactor.
3. Mr. Beattie stated Hazel Road was graded today.
4. Alan Blohm introduced himself and stated he would be running for Road Commission this November.
5. Resident questioned what the well is on 48<sup>th</sup> Ave. Fuehring stated there is an exploratory gas well. Believes they are looking for a mineral that can be used to make gas.
6. Keith Adams questioned if the Fire Board had met this month. Fuehring stated the Fire Board Meeting would be scheduled soon.

Meeting adjourned 8:16 pm.

Respectfully submitted by,

Tina Wiegand  
Golden Township Clerk
