The agenda or material presented on the issue should indicate the proposed action (approve, disapprove, no comment, approve with modification). First, any Consent Item can be removed by request of a member. It is automatically removed if discussed during Public Participation. Second, a motion to adopt the Consent Items can be made, in effect adopting all agenda items still included as Consent Items. - 3.* Be clear and document statements to improve the quality of planning for the entire area. This process is to improve coordinated planning, not to undermine relationships or exacerbate tensions between governments.

- D.* The review shall be in the form of a letter and shall take into account:
 1. Respect for the idea that the submission and review stages are near the end of a plan adoption process. A community may be ready to adopt, and others may be waiting for the task to be done. Do not extend the adoption more than necessary.
