Terryn thinks that some wood sales locations are run by nonresidents and should be viewed as mobile vendors and not allowed. Motion by Whelpley to accept the committee's recommendation and direct Draper to send letters to those property owners having wood sales locations

to move it off the road right-of-way and provide a safe parking area. Supported by Beaudion voice, 4 ayes Terryn nay, motion carried.

Public Comment: Mark Borst; This wood sales action is too vague and will lead to lawsuits.

Linda Chapman, President Upper Silver Lake Improvement Board: Some of our zoning Ordinances go against their Plat Covenants and make them hard to enforce. The Planning Commission should take their covenants in consideration when they make rules.

Adjournment: There being no further business to come before the commission the meeting was adjourned at 8:20 PM.
